# Women 2 Women

A Personal & Spiritual Inner  
Journey for Lesbians

How can all that we are come together:

spirituality, sexuality, dreams, hopes, longings?

This is a week for women who love women  
to explore together and strengthen our connection with ourselves,  
with Spirit and with each other.

If you have a desire to share with other lesbians and bisexual women  
on a spiritual path, join us for this week !
