

LEAP COORDINATOR

FINDHORN
FOUNDATION

Open to current or past staff members of the Foundation. This role is 0.5 but may expand to 0.7.

The intake stream at the Findhorn Foundation has evolved and developed through many incarnations over the last 50 years.

Currently, we are reshaping our intake process to better suit our needs as an organisation and to serve the transformational field.

RESPONSIBILITIES

- Development, administration, liaising with many departments within our organisation, interviewing and attuning with applicants and supporting them on their Leap journey.
- The role holds the awareness for Short Term, Long Term and Senior Leap including recruitment for the focalisers of each LT Leap programme.
- The Living Core Hub is developing a new 4-6 week leadership programme which will be a prerequisite to what is currently called Leap.
- As a Leap coordinator you will participate in helping to reshape our intake stream.

Closing date **10 May**

As Hanna moves out into her new role focalising the Iona team, we are looking for a self motivated and enthusiastic person to coordinate the Leap programme together with Jackie. This role requires several years of experience as a staff member with a good understanding of the sacred journey toward becoming a member of staff.

SKILLS REQUIRED

- Strong spiritual life and connection with the energies supporting and guiding the FF.
- Understanding and awareness of the FF as a transformational field.
- Good communication skills, good people skills and experience holding groups (FX training).
- Ability to see the big picture and to have flexibility to changing circumstances whilst also being able to hold the integrity of the Leap programmes - balancing the needs of the individual with those of the collective.
- Good computer and organisational skills, ability to work alone and/or in a small team; attention to detail.
- An appreciation for the legal and visa aspects of holding the Leap programmes.
