

Cluny Residential Volunteers

Full-time: (35 hours per week)
Accommodation and board on site

Cluny Hill houses residents and guests in a nourishing and transformational environment, providing a unique and rewarding living experience, and requiring a commitment to inner work and reflection.

We are looking to recruit residential volunteers for different departments at Cluny, such as Cluny Residential Volunteers – Home Care, Kitchen and Garden. We are inviting applicants who want to make a difference, who understand and are committed to embodying the Foundation's spiritual principles in everyday life.

You will have an induction to our procedures and values in order to embody the principles of the Foundation and to support your development and deepening over time. The role may expand or change over time and additional training can be organised to support you.

In return for 35 hours per week of volunteering, you will receive your room (including all bills) and meals, will be an integral part of the team and will participate in the team's personal sharing and meditations during work time. Work could be shift work, and will occasionally include evenings and weekends. Preference will be given to people who have completed advanced Foundation programmes such as LCG and Leap.

For more information or to apply, please send your CV and cover letter of no more than 2 pages indicating how you fit the requirements, to hr@findhorn.org.
